

Religious Education Knowledge Organiser – Christianity

Key Enquiry Question: Do miracles exist or are there other possible explanations?

Learning Objective

- Retell bible stories and discuss the miracles listed within
- Discuss if sacred texts are factual or can they be argued
- Discuss other influences which could have an effect on people's faith of miracles
-

Key Vocabulary	Meaning
Bible	The holy book of Christianity.
Christianity	The religion that there is on God, and He sent Jesus to die for our sins.
Christian	People who believe in Christianity.
Miracle	Something which happens that we cannot explain.
Divine Intervention	God directly making change within the world.
Sacred	Holy.
Soul	The spiritual part of a human.
Teachings/Moral	The lesson learnt from a story in the Bible.

Sticky Knowledge

- Miracles are events which cannot be explained. There are different views about whether this is God proving His existence or events which we just cannot explain with Science yet.
- The bible has lots of stories which are designed to teach Christians a lesson. These cannot be proven to be factual.
- There are many influences which can change someone's mind and even convince them to start believing in a new religion.
