

Key Enquiry Question: What is 'Good' About Friday?

Learning Objective

- Retell the Easter story and understand all its key events
- Discuss its significance and why Christians think Jesus' death was important.

Key Vocabulary	Meaning
Bible	The holy book of Christianity.
Christianity	The religion that there is on God, and He sent Jesus to die for our sins.
Christian	People who believe in Christianity.
Miracle	Something which happens that we cannot explain.
Divine Intervention	God directly making change within the world.
Disciple	A trusted friend of Jesus Christ.
Heaven	Christians believe the moral part of a person goes to Heaven when they pass away.
Sins	Choices people make that they regret and may want forgiveness for.
Crucifix	The holy cross which Christians now use as a symbol of belief. They believe Jesus was nailed to a cross as a punishment.

Sticky Knowledge

- Christians celebrate the death and rebirth of Jesus Christ at Easter.
- They believe he died for our sins so that our souls will go to heaven when we pass away.
- Jesus was buried in a cave with the door blocked. One morning he had gone. Christians see this bible story as a miracle and this is what they celebrate at Easter.
- Jesus relied upon his disciples to continue his teachings throughout the Earth which is what Christians live by today.
