

PSHE Knowledge Organiser

Year: 3 Term: 2

Focus: Celebrating Difference

National Curriculum Objectives

- Know why families are important
- Know that everybody's family is different
- Know that sometimes family members don't get along and some reasons for this
- Know that conflict is a normal part of relationships
- Know what it means to be a witness to bullying and that a witness can make the situation worse or better by what they do
- Know that some words are used in hurtful ways and that this can have consequences

Jigsaw 'Jerrie Cat' says 'Stop it, I don't like it, if you do it again I will tell someone!'

'Jigsaw Jino' wants you to name 5 words (adjectives) that describes how it feels to be bullied.

Hello I'm Jigsaw Jino

The Jigsaw chime – eyes closed and remember a time when words caused upset. How did this get resolved?

Key vocabulary

Word	Meaning
Family	Those who belong to you.
Parent/Carer	Someone who is legally responsible for your care.
Adopt	Legally (by law) have someone's child and bring it up as one's own.
Conflict	A serious disagreement.

Sticky Knowledge:

There are different types of families.

There are single parent families, same sex parents, step parents, blended families, foster and adoptive parents.

Families can support you in times of difficulty and also encourage you in the things you do.

Bullying is hurtful behaviour and is unacceptable in any situation.
