

KS1 Under the sea Knowledge Organiser

Terms 5 and 6

Key Enquiry: How do different methods and materials change the way that something looks?

National Curriculum Objectives:

- use a range of materials creatively to design and make products.
- use drawing and painting to develop and share their ideas, experiences and imagination
- develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space
- about the work of a range of artists, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Key vocabulary

Word	Meaning
Charcoal	A material made of carbon which is made by burning wood.
Oil pastel	A crayon made of oil.
Chalk pastel	A crayon made of chalk.
French	Someone / thing born or made in France

Sticky Knowledge:

Claude Monet was a very famous French artist who is no longer alive.

One of his most famous creations is called 'The Water Lilies'.

Charcoal, pastels, chalks and paints can be used to create pieces of art. They all give a different effect.
