

KS1 Space Knowledge Organiser

Term 3

National Curriculum Objectives:

Demonstrate a range of cutting and shaping techniques (such as tearing, cutting, folding and curling)

Select from, and use a wide range of materials and components.

Evaluate Ideas against design criteria.

Key vocabulary

Word	Meaning
Joining	To put things together.
Tearing	To pull into two or more pieces.
Cutting	To slice or open with a sharp tool.
Folding	To bend something in half.
Curling	To bend material to make coils or rings.

Sticky Knowledge

Materials can be joined together in different ways.

Materials can be shaped by cutting, tearing, folding and curling.

Some materials are more suitable for making rockets than others.
