

# KS1 Space Knowledge Organiser

## Term 4

**Key Enquiry Question:** How does Earth look from space?

### **National Curriculum Objectives:**

- Aerial Photographs and plan perspectives to recognise landmarks and basic human and physical features.
- Devise a simple map and use an construct basic symbols in a key.

### **Key vocabulary**

<b>Word</b>	<b>Meaning</b>
Ocean	A huge body of salt water.
Continent	A large area of solid land, made up of different countries.
Country	Land controlled by a single government.
Atlas	A collection of maps.
Globe	A spherical model of the Earth.
Symbol	A picture that is used to represent something to keep a map tidy and easy to read.

### **Sticky Knowledge:**

Aerial photographs show the area from the sky.

There are five oceans on planet Earth.

There are seven continents on planet Earth.

The United Kingdom is an island country.

Symbols are used on maps instead of words to label real-life features and make the maps clearer.
