

# KS1 Geography Knowledge Organiser

## Term 6

**Key Enquiry Question:** How does our local area compare to other areas in the UK?

### **National Curriculum Objectives:**

- Use basic geographical vocabulary to refer to: key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop.
- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.
- Use simple compass directions (north, south, east and west) and locational and directional language [for example, near and far, left and right], to describe the location of features and routes on a map.
- Devise a simple map and use and construct basic symbols in a key.

### **Key vocabulary**

Word	Meaning
Compass	An instrument to determine direction - North, South, East and West
Human features	Something that has been made by people
Physical features	Things that have been made by nature
Map	A picture of an area, showing roads and features
Key	The code to interpret a map

### **Sticky Knowledge:**

Ludgershall is a town. It is smaller than a city but much bigger than a village.

London is the capital city of England. It is much bigger than Ludgershall.

Ludgershall was built around a castle but was known for farming.

A compass has four main points - North, South, East and West.
