# KS1 Computing Knowledge Organiser
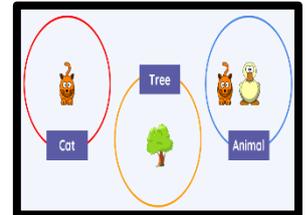

## Year 1 - Term 4 – Grouping Data

**Key Focus:** be introduced to data and information and how it can be labelled, grouped and searched for.

**National Curriculum Objectives:**

•Use technology purposefully to create, organise, store, manipulate, and retrieve digital content

•Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

**Grouping Data**

-To label objects

-To identify that objects can be counted

-To describe objects in different ways

-To count objects with the same properties

-To compare groups of objects

-To answer questions about groups of objects

| Key vocabulary | |
|---|---|
| **Word** | **Meaning** |
| Sort | Arrange items in a certain way. |
| Record | Data about a certain person or thing. |

**Sticky Knowledge:**

Information can be grouped to help us understand it.

Computers can be used to help us understand information.
